learning about our Labs!

We know how important it is to find a dog breeder who is responsible, knowledgeable, and passionate about the breed. We focus on breeding a good all-around sporting dog with the famous Labrador temperament that has made the Lab so beloved. All of our dogs have hip, elbow, eye and several genetic clearances. Have fun looking around and

Just this side of heaven is a place called Rainbow Bridge. When an animal dies that has been especially close to someone here, that pet goes to Rainbow Bridge. There are meadows and hills for all of our special friends so they can run and play together. There is plenty of food, water and sunshine, and our friends are warm and comfortable.

so beloved. All of our dogs have hip, elbow, eye and several genetic clearances. Have fun looking around and learning about our Labs!

All the animals who had been ill and old are restored to health and vigor. Those who were hurt or maimed are made whole and strong again, just as we remember them in our dreams of days and times gone by. The animals are happy and content, except for one small thing; they each miss someone very special to them, who had to be left behind. They all run and play together, but the day comes when one suddenly stops and looks into the distance. His bright eyes are intent. His eager body quivers. Suddenly he begins to run from the group, flying over the green grass, his legs carrying him faster and faster.

Dog for Cattle Sale

All of our breeding stocks have hip, elbow, and eye clearances. Visit YBR Farms online and have fun looking around and learning about our labs!

Four-year-old spayed Australian cattle dog available for a pet home or she would also excel at herding. She has been successfully shown in the conformation ring, had all of her health testing completed and is ready for the right family to love her, meet Sky Works Mira. We are posting Mira for a friend of ours. We're conveniently located in Jefferson, MD near Frederick and Washington, DC. We know how important it is to find a dog breeder who is responsible, knowledgeable, and passionate about the breed. We focus on breeding a good all-around sporting dog with the famous Labrador temperament that has made the Lab so beloved. All of our dogs have hip, elbow, eye and several genetic clearances.

We are currently accepting deposits to hold puppies! Full details are available on our "Puppy Page." Check out the puppy page for the latest news! All puppies are sold on AKC limited registration.

All of our puppies are sold on AKC limited registration. With AKC limited registration, dogs are capable of competing in performance events they are just not eligible for conformation shows. Any puppies bred from dogs on AKC limited registration are not eligible for registration with the AKC. Our puppies are

started in our home and at around 5 weeks of age moved to an indoor/outdoor kennel building. In the kennel building the puppies learn to outside to do their business. We have found that this provides a good foundation for crate training.

Ripley

Ripley comes to us from Rickway Labs in Manitoba, Canada. Ripley is our resident clown. He is canine blood donor and has a temperament second to none! Ripley is OFA Hips Good, Elbows Normal, Eyes Normal, PRA Normal, and Cardiac Normal .

Hazel

Thanks to Joyce Love, Rickway labs, for trusting us with Hazel! Hazel has been a joy to own. She has had a major impact on our breeding program. Hazel is the foundation for our new breeding program. Her puppies have outstanding temperaments, great retrieve drive, and wonderful moderate looks. Hazel is everything we could ask for in a lab. Hazel is OFA hips Excellent, Elbows Normal, Eyes Clear and PRA normal.

Glory's pedigree

Glory comes to us from Deep Run Farm. Glory is a show dog who can also retrieve all day long! Glory is the granddaughter of BISS CH MHR CAER BREN SUPERHERO, MH, CD, RN, WCX She has 2 points toward her AKC championship and a Working Certificate. Glory is a very playful girl who loves to carry multiple balls in her mouth at one time. She is OFA Hips Excellent, Elbows Normal, and Eyes Normal.
